## »» ADCC Studio of Excellence Award

At Dancers Inc. we believe that how you present yourself off stage is just as important as your performance on stage. The ADCC award goes beyond scoring and stage performance and is chosen based on the character of the studio off stage. This award is chosen by the Dancers Inc. staff that you have been working with throughout the weekend. For this award we ask that the studio director and teachers come up to the stage to accept this award.

Having a title program like no other competition, Dancers Inc. prides itself on having title winners that carry into the industry, more than just a crown. Dancers Inc. titleists will tour with our competitions and conventions and learn the ins and outs of the competition world.

This annual scholarship will be awarded to one graduating senior at each national event for purposes of pursuing a degree from an accredited four-year institution of higher education regardless of major. The scholarship is in recognition of an individual's contribution to the advancement of the art form of dance or the use of dance to advance a social cause impacting their community.
