For an additional non-refundable fee, we accept solo entries from the advanced and intermediate divisions at each age division (Mini, Petite, Junior, Teen, Senior). Beginner solo entries are not eligible for the Next Generation Regional title winner. Solo dancers registered in the Intermediate and Advanced divisions must score a high gold or above to be eligible for the Next Generation Regional title.

Studio Directors will notate **one** solo per dancer for consideration at the time of registration. These solos are still eligible for overall placement. A soloist can only win Next Generation Regional title once per season, however, they may re-compete as many times as they desire.

Next Generation Regional title winners receive recognition as well as an award onstage during the awards ceremony. In addition, dancers will be listed on the Dancers Inc. website and social media sites with a dancers spotlight. In the event of a tie, all ties will be broken by the discretion of the judges with an overall impression score.

NATIONAL TITLE

Title entries compete at the age group of the participant as of January 1st of the current competition year.

Solo dancers registered in the advanced division who have received a high gold or higher at Dancers Inc. regional or pre-qualifying event are eligible for entry in the National Title Program. All title contestants must compete at the advanced division in all of their registered routines.

Title contestants are limited to 1 solo entry which must be prequalified prior to our national competition. Title solo time limit is 2:45 minutes. The same solo may not be performed for both Titleist competition and National competition.

All title contestants will be judged on classwork, impromptu professional conversations, pageant (both in rehearsals and on title night), and title solo performance.

Title contestants must be available for the entire week of Dancers Inc. nationals.

Title winners will be asked to perform at regional events throughout the upcoming Dancers Inc. season. Based on their age, Titleists will be required to work a specified amount of Dancer Inc. regional events. They also MUST be available for the following season's nationals to give up their title at our Nationals event.

Titleists solos will be adjudication only at regionals during their reigning year. You may not hold the same age division title twice (i.e Petite Miss 2021 may not be Petite Miss 2022).

Titleists will be monitored on social media and will be held accountable to uphold a good standing in their everyday lives and with their studios. Titleists must remain with their studios during their reigning title year. If the dancer leaves their studio, their title will be relinquished.

Violation of any Dancers Inc. said rules will result in disciplinary action up to and including disqualification. In all cases, Dancers Inc. reserves the right to determine the definition of a violation and a suitable disciplinary action.
